Greetings!

The International Rescue & Emergency Care Association (IRECA) is hosting the 2022 IRECA/TEEX Annual Conference & Challenges – headquartered at The Stella Hotel in Bryan, Texas. Our annual conference has been well known as a premier place for youth and adults in rescue & EMS to compete against some of the finest pre-hospital & public safety professionals in the world, with unique emphasis on the public safety locale and population.

We need you! IRECA is funded completely through membership dues, grants, endowments, and revenues from such events as this annual gathering of members. That's where you come in – there are numerous opportunities for you to be an active sponsor and/or exhibitor in our conference, which will undoubtedly continue to help our organization and its members to continue to learn and grow.

Examples of opportunities include:

- Corporate Conference Sponsorships
 - Sponsorship funds will be used for social events, conference banners & handouts, as well as keeping the cost for each participant reasonable and affordable. We look to advertise your sponsorship of said conference items, and hope to find an amicable situation beneficial to us both.

- Competition Conference Sponsorships
 - Sponsorship funds will be used for the respective competitive events – from event supplies to signage & promotional materials. While not all inclusive, funds donated in previous years have been used for reservation of rehabilitation supplies and tests for participants, hydration & snacks for judges and volunteers, as well as offsetting the costs of conference-supplied props. For this coming year, this will include assisting with offsetting of the expenses associated with obtaining vehicles suitable for use in the Auto Extrication challenge. As with conference sponsorships, we look to advertise your sponsorship of said challenge items, and hope to find an amicable situation beneficial to us both.

So again – we need you! Your support is very much appreciated, and in the following pages can find many options for donating or sponsoring our annual meeting. Lodging information will be published on our website (www.ireca.org) as soon as it becomes available. If you have any questions, please do not hesitate to contact the conference committee at any time!

Cordially,

Gary Leafblad
